The carnival is set up as a short format of the game with quick games in a short period of time, to allow participation to play hard without over stressing the aging body. The carnival and centre, the South West Sports Centre is a smoke free environment and whilst Alcohol will be available to compliment socialising, strict enforcement of associated serving of alcohol under the restrictions of an occasional liquor licencing laws, will be enforced and responsible drinking will be expected.

In this case, these teams at the end of the carnival will still be recognised in their registered age group regardless of the position they finish in the younger age group.
