INTRODUCTION

The Bunbury Basketball Association (BBA) is dedicated to the promotion of the sport of basketball in the Bunbury region for participants of all ages. The Association believes that basketball is a tool to be used in community-building, promoting healthy living, and the empowerment of our youth in a climate of mutual respect and healthy competition.

Thanks and appreciation go out to those parents who contribute their valuable time and energy to actively support their children by undertaking responsibilities of coach, manager and score table official. Your collective contribution helps our children achieve their goals.

Whilst representative basketball can require extra commitment by players and parents alike, it also offers many rewards.

The victories and losses we experience, the friendships we develop, and the lessons we learn stay with us forever. Having the chance to be part of a team and enjoying all the physical, mental, emotional and social benefits that comes with it is a gift that every child deserves to experience.
